

REQUEST FOR PROPOSALS – 2014 HOLIDAY FOOD PANTRY PARTNERSHIPS

Lorain County Community Action Agency invites food pantry partners throughout the county to apply for funds for 2014 holiday food baskets. Funding is being provided on a reimbursement basis and is for the sole purpose of purchasing food and grocery items (edible and inedible) for distribution between November 1, 2014 and December 31, 2014.

ELIGIBILITY

To be eligible, organizations must meet the following requirements:

- Be located in Lorain County
- Provide food directly to any person in their service area in need, at no charge
For this funding, "In need" is defined as living at or below 125% of the federal poverty level and meeting the requirements for Food Pantries per the Ohio Department of Jobs and Family Services Food Pantry Manual.
- Conduct monthly reporting of clients served

We anticipate selecting numerous partners from the applications submitted. The average grant amount anticipated is \$1,000. Reimbursement is dependent on itemized substantiation of spending (e.g. invoices) dated within 45 days of the reimbursement request and monthly client reporting detailing the number served and relevant client character data obtained. LCCAA's payment terms are net 30 upon receipt of reimbursement request.
