WHERE NEW PATHS BEGIN

Changing times calls for changes in the normal way we do business...

Donna Jezewski, is our mental health consultant from OhioGuidestone, and has been with our Head Start community since 2017. She comes with over 30 years of experience, the last 10 as an Early Childhood Therapist with OhioGuidestone, where she has treated many common childhood disorders such as ADHD, trauma, anxiety, depression, and oppositional behaviors.

She will be available for parent/staff consultation services during the COVID-19 school shut down, as OhioGuidestone continues to service our community and support our Head Start families and staff, during this time of need. She is currently helping families with common challenges and giving tips on setting up a family schedule/routine, decreasing anxiety, power struggles, etc.
