

FUN WAYS TO WRITE

Writing doesn't always need to be done on paper, or with a pencil. Here are some ways to make writing fun for preschoolers.

Chalk

Shaving Cream

Sand/Salt/Flour

Finger Paint

Gel Bags
(Baggie, hair gel, food coloring)

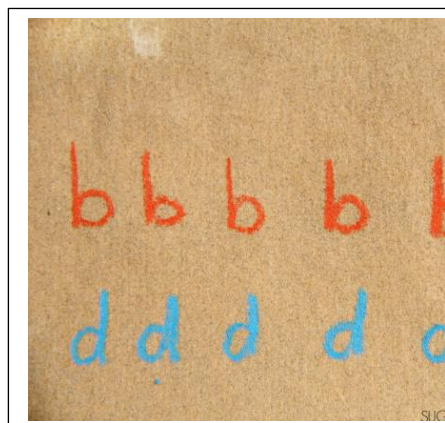

Playdough

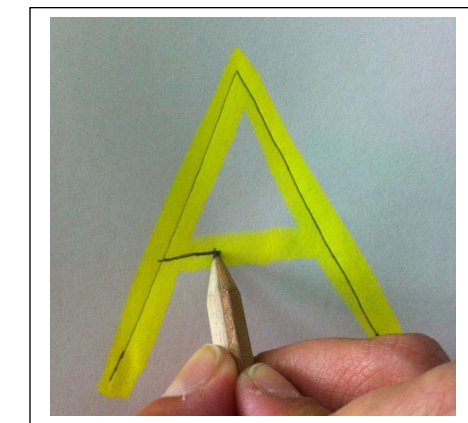

Window Tracing

You write on window, child traces
(Try to write vertical at times; it is good for muscle development and posture.)

Sandpaper
(Put paper over sandpaper or use colored pencils directly on sandpaper)

Inside Highlighter Letters
(You write in highlighter, child writes inside with pencil.)
